Do not worry about anything,

Steps to Stewardship

What an awesome quarter we had collecting items for and donating money to the children of **Krause Children's Center** in Katy, Texas. We are able to send them a check for over \$300. We set a goal and we reached it! How good it feels to share our blessings with others.

For the month of June, we will be donating our offerings to the ELCA Youth Gathering Project to help "Change the World" starting with New Orleans.

Our challenge is to not only bring your regular Sunday School offering each week, but also to bring any spare change you can gather. Ask your parents if you can have the change out of the cupholders in the car, check under the seat cushions of the couch, or do an odd job for someone for a little change. By bringing our **change**, we'll help **change** the world!

For more information on the project, go to: http://archive.elca.org/scriptlib/DS/giving/youthgiving_gift.asp or see Mr. Terry.
